

# We want a pathway along the southern parklands!

Did you know that the southern edge of the parklands is owned by the City of Unley?

We are calling for a new shared path to be created to better connect the residents of Unley and beyond to the incredible amenity of the parklands - and vice versa.

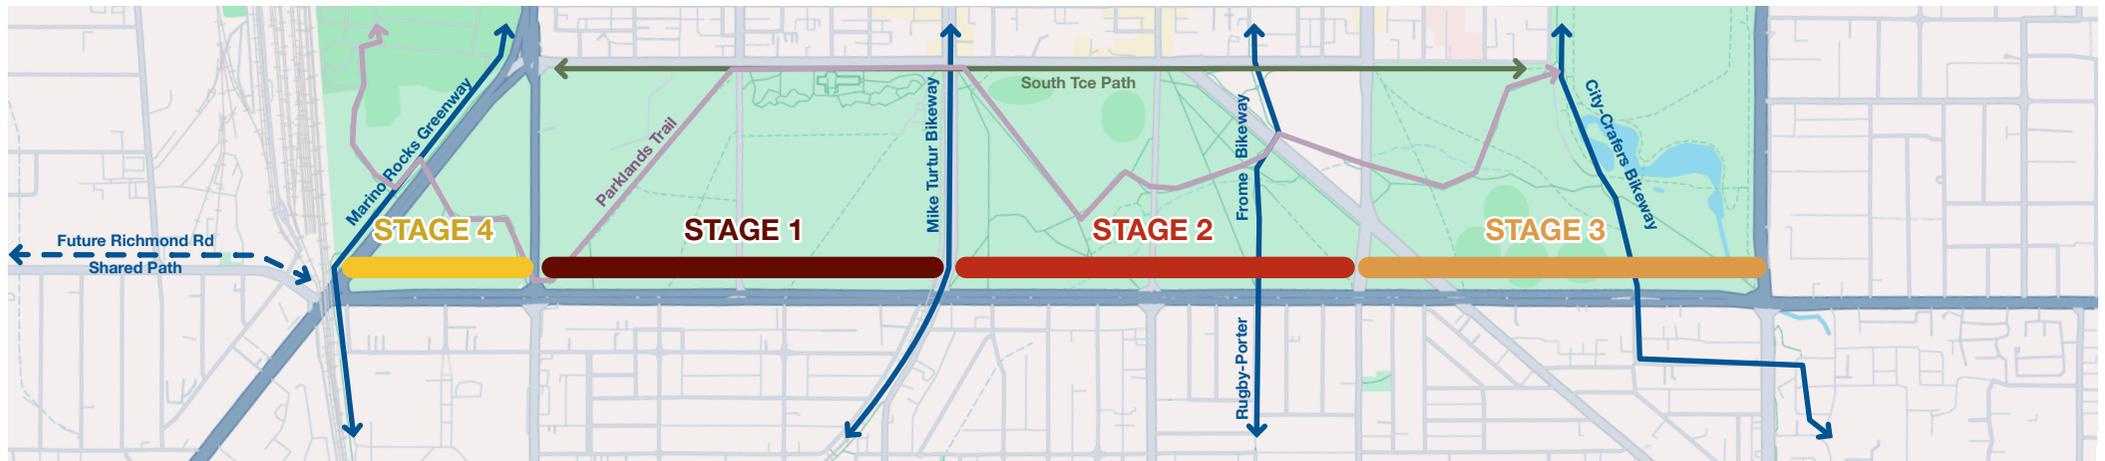

This path would build on the successes of similar parklands edge paths, such as the one along South Tce or in the east near the Fringe.

## Key benefits:

- Safer, more convenient access to the parklands for residents south of the city.
- Strengthen community access to parklands sports facilities.
- Connecting multiple walking and cycling routes.
- Better + safer access to existing bus stops on Greenhill Rd

## Proposed route:

- STAGE 1**  
Goodwood Rd to Peacock Rd
- STAGE 2**  
Peacock Rd to Hutt Rd
- STAGE 3**  
Hutt Rd to Fullarton Rd
- STAGE 4**  
Richmond Rd to Goodwood Rd

What's currently there...

...and what we want!

## Let's make this happen!
